Find out your Venettini size!

1. Print this sheet at 100%
Select Actual Size.
Do not fit or scale.
2. Check your page's scale

This line should measure 5 INCHES

These lines should measure 5"

This line should measure 5 INCHES

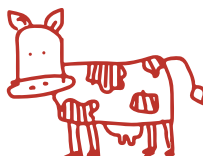

3. Cut along the dotted line at the bottom of the page.
4. Place the cut edge of the paper on a flat surface against a wall.
5. Line your child's heels to the edge of the page, against the wall.
6. Draw a line in front of your child's longest toe.
7. Buy the size closer to the line.
